3rd place league meet

Saints Swing Into Another Season

The Saint Clair Saints Varsity Baseball team didn't do as well as Coach Mallwitz would have liked, but turned in a much better performance than last year. The Saints got off to a slow start, but in the middle of the season became the spoiler. Behind the fine pitching of senior Greg Strickler and juniors Scott Schweihofer and Wayne Schroeder, the Saints were able to keep the SCAL race close. They helped keep the race close by a fine offensive performance as everyone on the team was able to hit well.

The Saints JV Baseball team had a pretty good season, ending the year with a near even record. Sophomore Manuel Mallas had the best record of any pitcher and the lowest ERA. The boys finished somewhere in the middle of the league standings but, due to two rain-outs, never played league opponent Algonac. After this season, during which the JV players gained much valuable experience, we expect to see them all helping the Varsity in future.

The '79 JV Softball team had a successful season this past spring. They ended up a close second in the SCAL and, in the final game of the season, defeated league champ Anchor Bay.

The girls, as is often true in JV, had to put up with a lot of hassle, such as; half the team down at the junior high, the occasional lack of communication between the high school and the junior high, not knowing if they had a game until half and hour before the bus was scheduled to leave, being packed into the buses like sardines, and playing on fields that could have doubled as cow pasture.

But the girls endured it all and came out winners. We congratulate them on a fine season.

The girls softball team had another good season and finished the year with a 13-6 overall record. The seniors on the team, most of whom have been playing together on the Varsity for 4 years, were again a big part of the Saints success. According to their coach, Mrs. McLean the girls had an up and down season with more ups than downs and they also won the league title for the second consecutive year with a 10-2 record.

Sharon Klemmer, Theresa Bondy, and Theresa Schweihofer made first team All-SCAL, Danette La Porte and Chris Smolinski were named to second team, and last year's All-area selection Shellie Guildenstein received on honorable mention.

Next year's softball Saints will go through a rebuilding year, but we expect another fine season in '80.

This years track team had a rough year as a team, but they did have several individuals who had successful seasons. Junior Glenn Craze set a new school record in the two mile run with a time of 9:59. He also finished third at regionals, which qualified him for states where he finished a respectable 14th. Kevin Bluhm, in his final track season at SCHS took a fifth place in the long jump. Fred Reyelts, another senior, also qualified for the Times Herald Meet of Champions, the three mentioned above and Roger Schaff in the shot put. The Saints' had a good day up at Times Herald with Glenn Craze taking second in the one and two mile runs and Kevin Bluhm leaping to a 6th in the long jump.

This year St. Clair had a very young team with little experience, so with some time to practice we could have a winning team in the years to come. Our congratulations to Coach Albright for a hard working season.

The Girls Track Team had a pretty good season this year. They won only 2 league meets but probably could have won more if it hadn't been for a measle epidemic at the junior high where most of the team goes to school. At the SCAL meet the Saints got their revenge, placing 3rd and beating 2 of their former conquerors.

Nancy Erickson was named MVP and really deserved it after bringing home up to 20 points a meet. Debbie Child and Nancy were picked as team captains, and were good leaders throughout the season.

Our team had a lot of depth this year with many freshmen and should come back just as strong next year, though Nancy and Debbie will be missed.

The Tennis Team had a fine season, after one early loss they came back strongly and finished in second place in league dual meets, first in the league tournament, and second at the regionals.

To quote Coach Stablein "we had a team of Champions" this year at the SCAL meet, with Mike Dodea winning at 4th singles, Jim Anderson and Russ Turecky taking the 2nd doubles crown, and sophomores Jeff Sheffler and Tonia Howrigon bringing home more points with a victory at 4th doubles.

Though losing 5 excellent seniors, Ron Dawson, Mac Rowland, Bob Cook, Jim Anderson and Steve Sheffler, the Saints will have many strong players returning and we look for another championship team next year.

On March 30 and 31 the senior class put on the class play under the direction of Mr. Weber.

The play was a slap-stick comedy with the typical features of a western: rough, tough cowboys, a bank robbery, a mean sheriff, and 3 pretty saloon girls.

The play centered around Ralph Rawhide Rawlins, a gang leader who came to Gopher's Breath to rob the "First Phingerdoo Savings and Trust". Rawhide's plans were put to an end when he met Bambi Phingerdoo, the banker's beautiful niece.

Amos Crutchwaffle, the sheriff, is also after the money in the bank so he can get out of the country with Belle Durham, the bar owner.

In the end everything worked out for the best. The money remained in the safe, Mom Rawlins got her potato farm in Idaho, Amos hot what he deserved, and Ralph and Bambi lived happily ever after.

The Senior prom 1979 combined the qualities of a good band and a class with class to create an evening that will "Always and Forever" live in the minds of those attending. Before the prom many couples went to dinner at the finest local restaurants; The Cantebury Inn, The Drawbridge Inn, The Fog Cutter and others. After the delicious dinners, more than 100 couples filled the Guildwood Inn in Sarnia, Ontario to participate in the dance. The music was provided by "Air" and they did their job well, playing popular songs everyone enjoyed. Of course the prom goers were decked out in their best, guys in tuxes and suits and the ladies in loverly gowns. Following the dance the couples returned to the USA and to various parties. Gary Meyers hosted one of these post prom get togethers. At 4 a.m. Ron Doviak featured a breakfast at his home. The meal included ham & eggs with orange juice. From Ron's the couples went their own separate ways. Some to work, some back out partying and even a few to Niagra Falls.

The First Day of the Rest of Our Lives

Graduation '79. A day full of smiles and tears, a special day to the 201 people who received their diplomas, a day just like all other graduations, right? Wrong, as a junior, taking graduation photos, I saw something really different and special as has been true with this class, said to be one of the closest to ever graduate from SCHS.

Preparation began a week before with practice on the football field. Unfortunately, when the big day arrived, Mother Nature didn't cooperate. Temperatures shot into the 90's and tornado watches were posted all over the state. This forced the ceremony into a hot and very stuffy gymnasium.

At 1:40 the seniors lined up in the east hall. (A) You can tell by the look on Jill O'Connor's face, and the improvised fan in her hand, that it was very warm back there. For a few minutes it sounded like a pep rally with class members clapping and cheering "go, go, go". (C) Mr. Weber and Co-Valedictorian Fred Reyelts checked last minute details. At 2:00 the strains of "Pomp and Circumstance" were heard, and the procession moved to the gym with much laughing and talking, but some (B) like Abby Brant took the occasion solemnly. Welcome speeches were made by Sandra Ankrapp and Craig Stevenson.

When time came to receive the diplomas most students accepted them gratefully and walked off stage, but a few like (D) Fritz "Grocho" Attebury added a bit of their own special style. (E) After they had been given their diplomas, Jill O'Connor, Steve Westrick, Mary Rogers, Greg Mills, Craig Stevenson, and Fred Reyelts sat back and watched as the rest of the class received that important piece of paper they had worked to so long to attain. Speeches were made by Diana Groves and Fred Reyelts, frisbees were thrown, and it was over. One door had closed behind them forever, but a new one had opened on an exciting world.

CUSTODIANS

Cleaning this beautiful school of ours is not an easy task. In charge are seven well-trained custodial technicians. You may know Mr. Bryson, or Mr. Klaski, the day custodians. You probably are not familiar with the 5 night custodians—most of them have been custodians for an average of 11 years and 10 years at S.C.H.S.

Eighty-six percent of the custodians are married and they average 1.4 children. Their residency includes the following: 43 percent live in St. Clair, 29 percent Marine City, 14 percent Marysville, and 14 percent Harbor Beach.

Serving our school well for 25 years is Mr. Bryson and for 22 years, Mrs. Thomson. Congratulations to you both from St. Clair High School.

COOKS

The cooks at St. Clair High School have been professional cooks for an average of ten years. All of the cooks have been with the East China School District ever since they became professional.

Each of the cooks at St. Clair High are married and have an average of 4 children. Our cooks are not new to our school district. Fifty-seven percent of the cooks were raised in St. Clair, and 43% in Marine City.

The cooks' favorite dishes range from Lasagna, to salads, to seafood, to soup and sandwiches.

CLERICAL

The ever alert secretarial staff at St. Clair High are four ladies who average eight years of secretarial service. Mrs. Levy is senior member with almost fifteen years. The group averages better than four years a piece at S.C.H.S.

In the family life Ms. Barry is the only single member of the staff, while Mrs. McCartney claims a staff leading seven children.

Mrs. Rocker and Mrs. McCartney are the only life long members of the St. Clair area and Ms. Barry, who was born in Alaska, is a rather nomadic member living in various locations throughout the United States.

Every day over 40% of the students at St. Clair High School ride the bus to and from school. But how many of you know anything at all about your bus driver? We've gathered some facts together about our bus drivers, see how many of these facts you didn't know.

For example. . . Did you know the bus drivers average 7.5 years of experience behind them and 7.3 years of that experience is in the East China School District? Most of the bus drivers are married, approximately 93% are. Most are mothers and average four children per family. Believe it or not, only 27% of them came from St. Clair, while 53% came from Marine City, and 20% from New Baltimore, Roseville, and Detroit. Our drivers don't have an easy day either, they average over 117 miles a day.

They put a lot of time in each day just to get you to school and back home again—on time. Why don't you say a kind word to your bus driver today?

J.V. GRID MEN SHOW PROMISE FOR FUTURE

As the saying goes, "it's quality not quantity that's important," that's the way it was with our J.V. football team in the fall of 78. Although they only had 15 on the team, our J.V.'s performed well in all aspects of the game.

Our defense, led by Danny Elles with 92 tackles, held opponents to an average of 15 points a game. The offensive unit, though the backfield shaken up by injuries to quarterback Mike Frantz in the first game, Saints tailback Kevin Glaza had to switch positions and pilot the saints for the remainder of the season. One of Glaza's favorite targets was Dave Linarski, who led the team in pass receptions. On the ground Bob Beier and transfer student, Shawn Fitzgerald led the way with 401 and 400 yds. respectively.

We are looking forward to seeing all these young men on varsity next year.

GIRLS VARSITY CAGERS DOUBLE LAST YEAR'S RECORD

The Girls Varsity Basketball team, under the magnificent direction of Coach Inkala, doubled their last year's record finishing at 6-10 overall and 3-9 in the league. Although this was definately not the best our girls could do, they managed to come up with a sixth place position. Their record may not show it, but they were a fine group of athletes.

It was an exceptionally good year for the seniors on the team. They excelled in scoring and rebounding. Shellie Guildenstein led the scoring with 127 points, followed by Debbie Child with 88. The Saints' senior center-forward, Theresa Bondy, hauled down a total of 114 rebounds. Let's hope the juniors will carry on the tradition of being good players next year.

We'd like to commend our girls on the Varsity Basketball team. They've done quite a bit to boost the school spirit. They deserve an awful lot of credit. We'll miss our great seniors, but at the same time we're looking forward to seeing how the new seniors will do.

The girls J.V. Basketball team did a good job in '78 and showed what some team work can do. The statistics from most games showed several assists, usually with Captains Ann Robbins and Chris Glass leading the way. Lynn Trombley was top scorer for the Saints, while Stephanie Koch was the No. 1 sophomore rebounder. The sophomores really showed team unity and spirit and we look forward to seeing them on our Varsity next year.

Our mighty Saints golf team had a rough season last fall, losing one golfer to an injury and getting some tough breaks in close matches. Coach Walt Parsons said, "It was a rather disappointing season for us, but we had quite a few freshmen and sophomores out and are looking for improvement next year." Senior Tim Rinke did an excellent job as team leader last fall, keeping them together and their morale up.

Our Cross Country team had a great season last fall turning in a better record than any other team in the past four years. The Saints finished the season with a 4-2 league record good for third place. Junior Glenn Craze was part of the reason the Saints did such a good job. Craze took first in all but three meets and finished second in the regional. Fred Reyelts, Bob Mattock and Tom Currier, our seniors, all had fine seasons coming up with the places when we needed them. Two nice surprises last season were Tom Rohrig a transfer from Bishop Gallager and freshmen Dave Phillips. Coach Vern Albrecht was pleased with his team's work and looks for more of the same next year.

The Varsity Basketball team had a roller coaster season in '78-'79. They would win a few games and then go into a slump, win a few more and go into another slump. With a season like that the Saints didn't win the league title, but still had a few games where they really played up to potential. Some games that may stay in memory for awhile might be our 1-point win over Anchor Bay when Rzonca scored at the buzzer, the night we held Algonac to only 28 points, and the night we scored 92 points down at New Haven.

This years attack was fairly balanced, with Seniors Frank Rzonca and Dale Carney taking care of the Saints outside game, while Jeff Schaaf worked the inside. Another nice suprise was Junior transfer Don Downing, the Saints answer to Earvin "Magic" Johnson, who set up our offense. The other starters varied, but all did an excellent job along with a strong bench.

Tuesdays and Fridays just wouldn't have been the same for 100-400 students who went to and enjoyed the games this year. We would like to wish the Seniors good luck and to the Juniors and Sophomores, see 'ya next year.

Our JV basketball team has something very few teams in the history of St. Clair High have had. These young men have distinguished themselves with a total four-season record of 51-7, and in all four of those years have claimed at least a tie for first in the SCAL. The main reason for this record is teamwork; the JV has always played very good and unselfish ball and their starting team meshes together like the parts of a well-oiled machine. Each boy contributes his skills toward the common goal of victory. Not only did these JV sophomores help the JV to a winning season, but towards the end of the year, Mike Frantz, and later Rich Buslepp and Bob Beier were called up to the Varsity. With this experience plus next years seniors, St. Clair has several years of super basketball to look forward to.

"We want a victory for our Varsity," chanted the volleyball fans and that's just what they got. Our Varsity volleyballers were the Number 1 team at SCHS with a league record of 11-1 (putting them in a tie for first place with Marysville) and an overall record of 20-4. Our girls out-bumped, out-set, and out-spiked every team in the area, and the few times they were beaten they came back strong to win the rematch. Seniors played a big part in this year's success, each girl doing her part to get the ball back over that net. Coach Nancy Shaw, of course, instrumental in making it all come together and it really paid off on Saturday, March 3rd, when our girls won the District 22 Volleyball Championship at Yale. The girls did a fine job this season and really proved what team work can do.

V.B. SPREADS THROUGHOUT ST. CLAIR HIGH

Our J. V. volleyballers had an excellent example set for them by our varsity and, though they didn't take first, they did the next best thing finishing in second place in the SCAL with a 9-3 record and 14-4 overall. The J. V. girls' style was much like the varsity with an emphasis on team work and spirit. They fought hard in every game and had the victories to prove it. With mostly freshmen on the team, the girls have a good chance to come back stronger next year.

The Varsity Wrestling team had a fairly successful season this year, upping their win total to 8, twice as many as last season. Leading the team were Senior co-captains Fred Reyelts at 138 lbs. and Tom Mireau at 155 lbs. Fred Reyelts led the team with a 39-8 record, including a 15-0 dual meet record (both SCHS records) and became the first SCHS wrestler to win over 100 matches and the second most wins in SCAL history with 103-33-2 career mark. Tom Mireau led the team with 5 tournment first place finishes and had a 33-7 record for the season. Both Mireau and Reyelts qualified for the Regionals by taking 4th and 2nd at the Districts, respectively. Reyelts also finished at the Regionals which qualified him to wrestle in the State meet, only the third SCHS wrestler to do so. Other outstanding wrestlers on the team were Pat and Mike Stilwell, Pete Reyelts, and Marion Fadanelli. The team brought home 28 medals this season (10-1st, 9-2nd, 8-3rd, 1-4th) and set new marks in 4 categories including wins and falls. The Saints had a fine turnout this season and many underclassmen gained experience which should lead them to some fine matches in the near future. Only a few Varsity members will be lost to graduation and many promising Junior Varsity members should fill their spots. The Saints were coached by Paul Reyelts, and Larry Boden with Jim Boden and Ray Hicks giving much assistance throughout the season. Team manager was Tom Kingsbury.

In 1978-79 St. Clair High began participating in another Varsity sport, aggressive hockey had come to town. skating Saints had a rather rough season, but they never gave up. With a fairly young team, they have the future to look forward to. The mainstays of the St. Clair offensive line were Sophomore Shawn Fitzgerald, Juniors Dave Haas and Russ Turecky and Senior Frank Wyss, all these young men had played hockey when they were younger and their experience was invaluable to the rookie Saints. The Saints were also helped tremendously by their head Coach Lloyd Maxfield, an ex-Flag, and his assistant Bill Cedar. Our team had its problems this year but look to the future when St. Clair High brings home it's first hockey trophy for the showcase.

Time to Reflect

79

With the approach of June we, the class of 79, bid a bittersweet farewell to SCHS. We have been together for many years and the bonds of friendship that have developed will remain unbroken the rest of our lives.

I've often heard that our class is one of the closest ever. A good example of this is the nicknames our classmates have been dubbed with. These nicknames are a symbol of the love and friendship that is shared among the members of our class.

Will any of us forget the sophomore float parties at Bob Nauman's, the junior float parties at Janet Kapanka's of the senior float parties at Barb Slis'? These parties, school dances, proms, sporting events, or just Saturday night get togethers have been a part of all our lives for the past three years.

The togetherness of our class is also apparent in our spirit. Even as sophomores we won the chain and the penny contests during spirit week. During this past football season our spirit has been recognized with a trophy from the cheerleaders.

Our class has also produced many leaders. Class, Student Council, BOEC, and National Honor Society all have officers that are seniors. Other people also were singled out for special leadership honors by being chosen to attend Girls State, Boys State, Rotary Leadership Camp or Operation Bentley. A few students have also broadened their horizons with summer stays in Japan, Germany, or Sweden.

All in all I can honestly say that the class of 79 has a fantastic future. Jobs, college, and marriage are awaiting us and with our potential the future looks bright. So as we say so long to SCHS we will look back fondly upon the years we have spent here and in our hearts we will know that we will never really be gone.

B

The Saints Varsity Cheerleaders kept everyone fired up during the 1978-79 season. This year we got off to a bad start, but things began to take shape with the arrival of the new advisor, Miss Carol Cotton. This resulted in a talented, enthusiastic, spirited St. Clair Cheerleading squad. They traveled down to Detroit and entered in competition with other cheerleaders. This was our first year and we didn't place in the standings. But next year we expect to see a first place.

A

This year's Junior Varsity Cheerleading squad consisted of six dedicated sophomores, led by their advisor, Carol Cotton.

Cheerleaders are often overlooked when appreciation is passed out. But these girls represent St. Clair High and help keep spirit flowing throughout the course of the year.

They spent many hours practicing cheers and maintaining high spirits. The girls contributed many hours of their own time on such projects as the homecoming court float, a fund raising car wash and bake sale, and most important of all, preparing pep assemblies.

St. Clair High would like to express our appreciation for their important role in sports throughout the 1978-79 season.

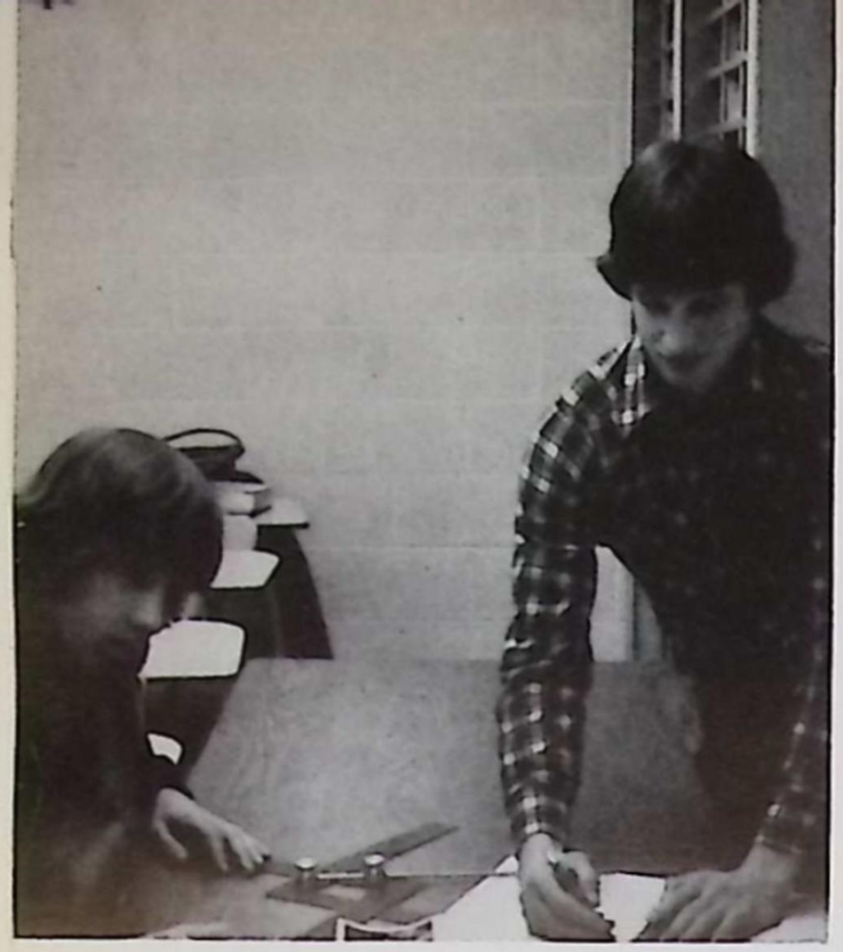
SAINTS STAFF



A.

B.

The 1979 Saints yearbook was put together this year through the diligence of a small group of hardworkers. Advisor, Mr. Tharrett kept the bunch busy and working steady throughout the year. The success of this years publication falls entirely on his shoulders as mentor of the yearbook class.

The class seldom took advantage of the many opportunities to have a good time. "All work and no play" was the basis for the yearbook being a sufficient, indulging, work of literature.

These two pages can only illustrate the job well done by this dedicated group of students who slaved sometimes after school hours to make this yearbook illustrious of the events that occured in 1979.

In conclusion, the yearbook staff would like to thank Julie Leavy for her assistance in making the yearbook a success.

A.

The St. Clair High Student Council (1978-79) was active in both school and the community.

The Student Council started off the school year with the planning of Homecoming and putting on one of the most successful homecoming dances in recent memory.

The Council also formed and set up meetings of the Blue Water Area Student Council. This is a group of members form 7 other councils in the Blue Water Area. A possible project for this group is the planning of a Blue Water Area Computer Dance.

Our Student Council restarted the Varsity Club at St. Clair High and set-up the memorable computer dance.

We would like to thank the Student Council for doing such a good job and wish all participants good luck in the future.

A.

Those letters BOEC, that you heard so much about in 1978-79 stand for Business and Office Education Club. This club, formed this year, is to help students refine business skills and develop leadership abilities, through 27 different competitive events.

Before our 25 BOEC student members went to competitions they had to find ways to raise money. So they did, BOEC sold pencils, pom-poms, candy, fruit cakes, and donuts and hot chocolate to warm us up before school.

BOEC also had one money raising project for others, they held a 14-hour Rock-a-thon with all proceeds going to the Special Olympics. The rockers would rock for 2 hours and then take a 10 minute break, while advisors Mrs. Colleen Webb and Mr. Les Barnes watched to make sure the rules were adhered to.

On February 10th the St. Clair BOEC club, along with 17 other BOEC's travelled to regional competitions at the Skill Center. The small St. Clair team held their own in competition with the following people placing: Laurie Desmit tied for first in Accounting I, Johnna Driscoll claimed third in Typing I, Jeff Connors took third in Accounting II, Ann Knudsen and Kevin Young captured fourth and fifth, respectivly in Accounting II.

BOEC had a good first year and is looking forward to many more years of competitions and community projects.

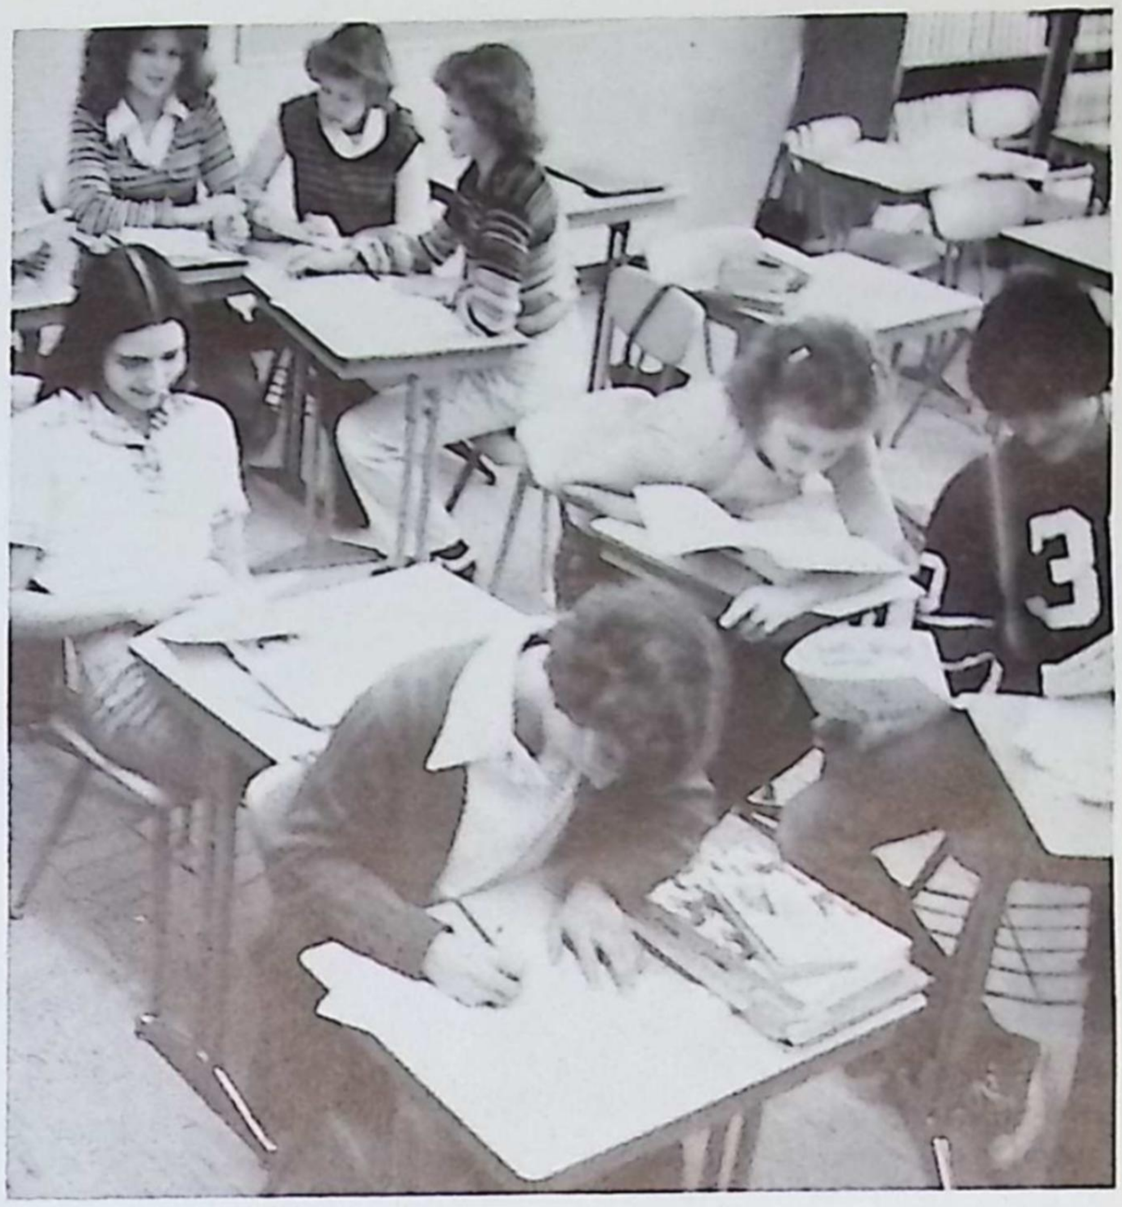
CLAIRVOYANT

The Saints' Clairvoyant is published weekly by the 3rd and 5th hour Journalism classes (alternating weekly) of St. Clair High School, 2200 Clinton Avenue, St. Clair, Michigan 48079. The opinions expressed therein, unless otherwise acknowledged, are solely those of the writers. Letters, or other commentary intended for publication, must be signed.

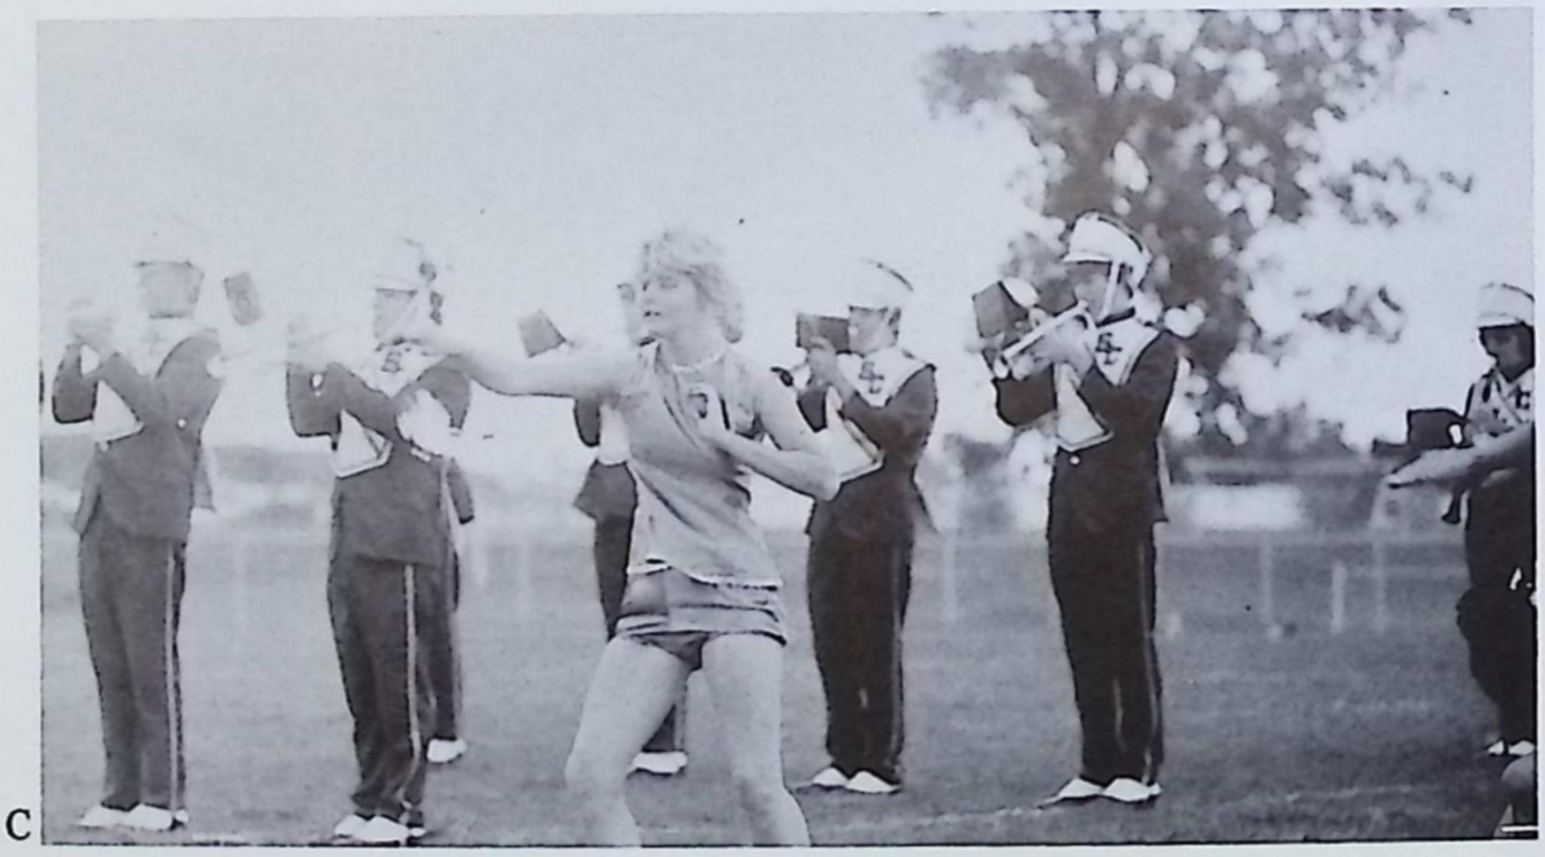


TWIRLING TIME AWAY

A

B

A. Cindy Reichle and Delores Horn twirl to the song, "I Write the Songs". B. Sandy Stoecker stops to take a breath. C. Delores Horn is concentrating.



C

The "Twirling Saints" have existed for two years, under the supervision of Mrs. Webb. The baton twirlers of St. Clair High really didn't need any qualifications, except to have been able to handle and twirl a baton half way decent. Cindy, Delores and Sandy proved to be more than just decent, they were good.

The three girls chose their own music to design their routines. The steps, turns and throws they did had to be appealing and smooth for a good performance. Their appearance was quite important, also, which was part of the reason for their new uniforms.

With a little bit of luck the girls might be able to go to a camp in Marquette this summer. At camp they'll be able to learn other twirling skills and moves to improve themselves for the next school year. Good Luck Girls.

"You gotta make your own kinda music". That's just what our chorus had this year under director Bob Wheeler. The chorus started out small, with only 17 members first semester, but their sound was much bigger and sweeter than their small size. The Chorus did a community concert at Christmas, then entertained us in another concert with the band.

A spin-off group of the chorus was the Blue Water Brats. The brats consisted of Greg Stark, Pat Gerrits, exchange student Lutz Moehlman, and Scott Taylor (from Marine City). They, too, entertained us at Christmas time with carols and some Barber Shop Quartet music.

Interest grew and the Chorus gathered more members for a second semester total of 26. The Singing Saints entertained the St. Clair Rotary Club at the Inn, and the Dunn Paper Co. at the Fogcutter.

All in all, the SCHS Chorus had a good year and is looking forward to more growth and harmony.

PICTURES SAY A MILLION WORDS

The Photography Club at St. Clair High this year was a completely extra-curricular activity. The small group of six members learned such processes as developing and photo enlargement. Since photography hasn't been offered as a course at S. C. H. S. the group was forced to meet on their own time such as after school and lunch hour. The group used their time wisely and Advisor Mr. Roberts taught them the "The Tricks of the Trade."

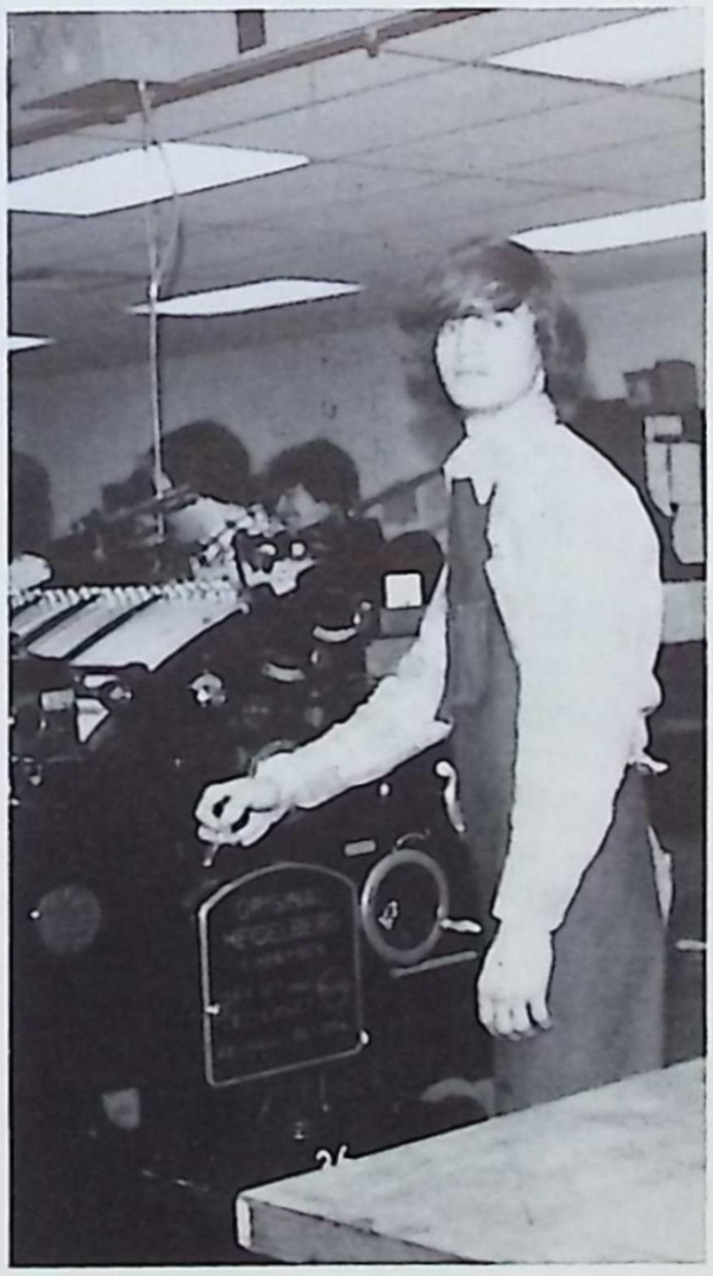
SKILLED STUDENTS HARD AT WORK

A

B

C

D



E

The St. Clair County Skill Center provides vocational training in many areas for Juniors and Seniors throughout St. Clair County. St. Clair High sends 78 students to the Skill Center, split about evenly between the morning and afternoon sessions. The Center offers 21 different programs of study, some of them being: Health Care, Floriculture, Cosmotology, Auto Mechanics, Welding, Plastics, and Food Service. Nine of these 21 programs are contracted, which means that the students work in a business, getting on-the-job experience. After a student graduates, the Skill Center provides a job placement service which offers the student an excellent chance to put his newly acquired skills to work.

A. Julie LaGrow carefully mixes up another delicious concoction in the Food Service Department. B. John Beauchamp prepares to practice his skills in Welding. C. "That will be 37¢, please," says Sue Damore as she and a friend work the counter in General Merchandising. D. Leroy Ernst checks on the progress of his project in Plastics Class. E. In printing class, Don Rybinski is ready to start today's work.

CHERI ALLEN
GERMANY

Cheri Allen last year went to Troysdorf-Eshmare, Germany and spent alot of time traveling to such places as London, France and many other interesting places. She liked it very well because she learned so much about the language and their way of living. The family she stayed with had two children, Stephanie, age 15 and Berendi, age 12.

CARLA JONGERIUS
HOLLAND

Carla Jongerius is one of our exchange students from Bunnik, Holland. She is having a very good time in America. Her family that she is staying with is Mr. and Mrs. Stanly Tivy. Her father in Holland is Kees, a manager, and her mother is Ali a part-time office worker. Carla enjoys sports and is on the volleyball team. She enjoys reading and traveling also.

LUTZ MOEHLAMN
GERMANY

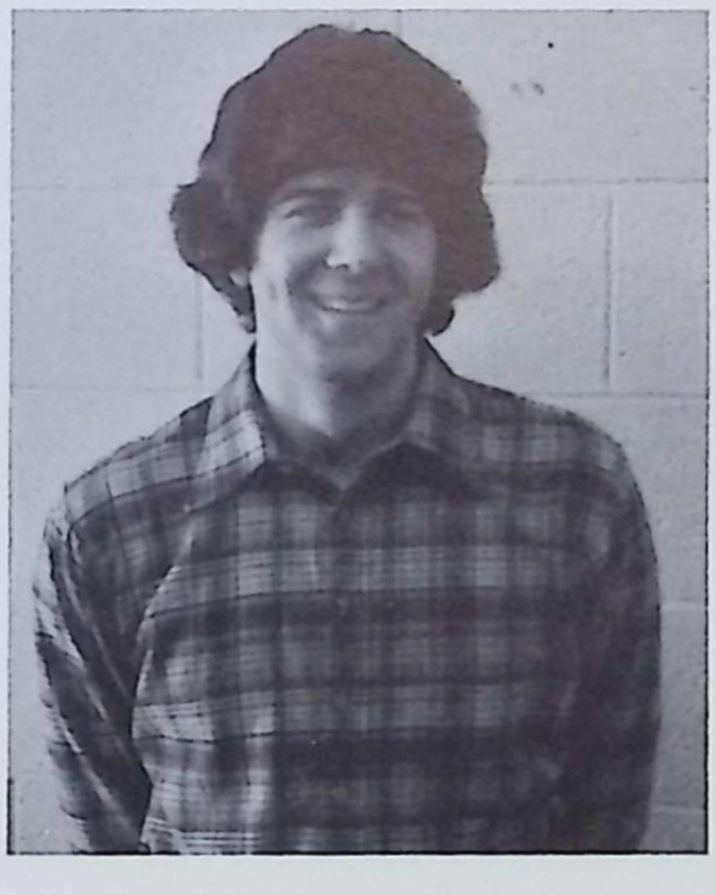
Lutz Moehlamn is an exchange student from Soltau, Germany. Lutz plays flute in the Band at St. Clair High School, he also likes to listen to music, play sports and read. The family Lutz is staying with are Mr. and Mrs. Jerold Holbrook. In Germany Lutz father is Gerhard, a Revenue Officer and his mother is Hena, a house wife. Lutz is enjoying this stay in America very much.

TRAVELING—FAR AND NEAR

CHERYL DAVIS
JAPAN

Cheryl Davis this summer spent her time in Japan. The town that she stayed in was Omiyo. She visited Toyko, Kamakura, Miyahara and many other places. The family Cheryl stayed with is the Hito family, Mari-chan 6, and Naotokein 3, were the children in Cheryl's family. Cheryl enjoyed Japan very much and would like to go back there again some year.

GARY MEYERS
SWEDEN



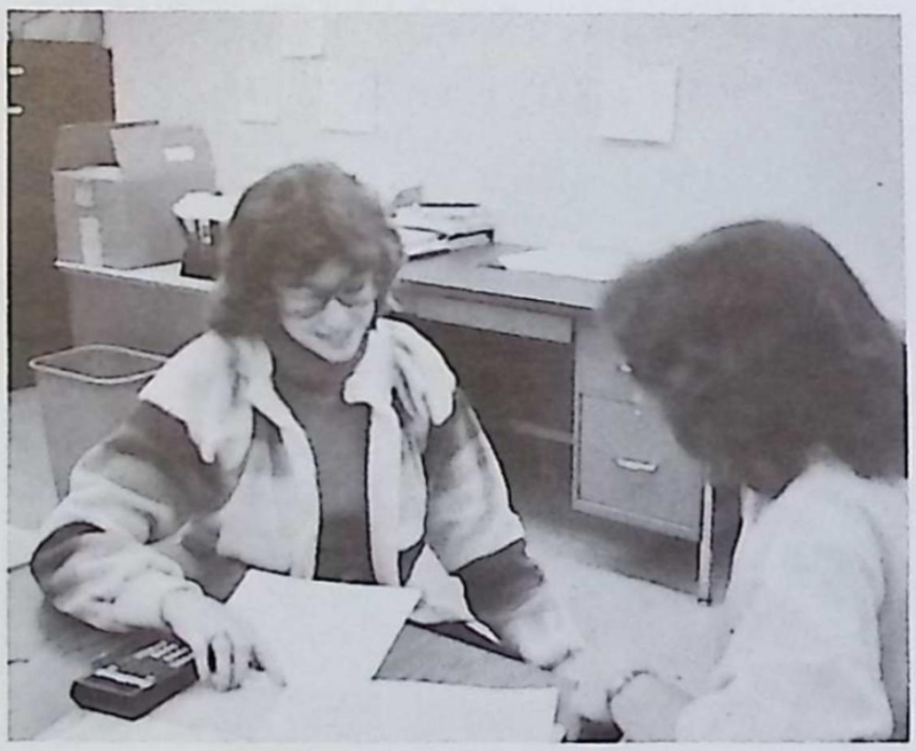
Gary Meyers spent this summer in Sundsvall, Sweden. The name of his family was the Emberiens, Par 21, Lean 23, and Jan 18. While Gary was in Sweden he visited Denmark. Gary enjoyed Sweden very much but he enjoyed the Swedish girls much more.

DIANA GROVES
GERMANY

Diana Groves went to Ottobrunn in the southern part of Germany. Barb and Gerterud 16 year old twins were her sisters and Wolfgang 17 was her brother. Some of the places that Diana visited were the Alps and she said, "some really neat castles". Diana did not go past the boarder while she was there but learned very much from just the town that she stayed in. Going back is one of her desires in the future

THE ULTIMATE ACHIEVEMENT

Seated from left to right: Debbie Child, Secretary, Diana Groves, President, Ann Knudsen, Vice President, Sandra Ankrapp, Treasurer. Second row: Theresa Bondy, Jeff Connors, Steve Sheffler, Kathy Kolan, Fred Reyelts, Kevin Young. Back row: Jill O'Connor, Chris Smolinski, Steve Westrick, Cheryl Davis, Carol Campbell.



As you can see, one of the most important functions of the National Honor Society is tutoring. In this picture, Jill O'Connor is doing her best to help this student.

SCHS has clubs for everyone, so for our high achievers we have the National Honors Society, after a 15-year absense.

With 16 members and their Advisor Mrs. Horning, the NHS has made its presense known in school, with several activities including a student tutoring program. The members also went over to Central Michigan for a tour of campus and "The Gold Carpet Banquet", where they met with other NHS's around the state.

The Society members also kept us from starving after school by selling candy to raise money for the spring banquet for the members. There is also the possibility of the Honor Society sponsoring a dance.

Considering they're rookies, they've done a great job this year and we look to more NHS projects in the future

YOUNG ROTARIANS

Seated, left to right: Kevin Young, Fred Reyelts, Johnna Driscoll, Jill Delor, Robin Brisbois, Glenn Craze, Tom Rohrig.
Standing, left to right: Trisha Tyler, Margo Tivy, Laurie Desmet, Clarissa Karling, Cheryl Davis, Cheri Allen, Heather Dunsmore, Diana Groves, Cha Cha Mullins.

The SCHS Interact Club, founded in 1977, took off on its 2nd year of projects for the community. Interact is the young peoples branch of the Rotary Club, and is one of the several clubs for the students to get involved in at SCHS.

This years projects included collecting Christmas toys for needy families and visiting the elderly at Faith Medical Center.

Interact is a fun club, and it gives students a chance to develop leadership qualities. Interest in the club grew this year and we look for more members and service projects in the future.

ON THE JOB WORKERS

A.

Co-op and work experience is a great opportunity for young men and women to get out into the world of work. They spend half of their school day making money and learning trades of their up coming profession. Getting an early start into different fields of job opportunities is what co-op and work experience is all about.

Co-op is coordinated by Mr. Findley. He is always there to help students figure out their problems with their jobs and school work. In Related Studies, the students work with work-books dealing with work experience situations.

Alot of hard work went into the Junior float "THE STING" but once again the class of '80 came away with a disappointing third place. D. The Cheerleaders "QUEENS FLOAT" carries the reigning king and queen Theresa Askew and Tim Hines and '78 senior queen hopefuls.

After the excitement of being chosen to represent their classes, the members of this years court couldn't wait for homecoming day. The parade started early on that bright October day, but the judges were there even earlier. With pencils in hand, the judges checked each float for originality, difficulty, and the use of red and blue. The parade went very well thanks to the efforts of SCHS Student Council.

A. Last years King and Queen Theresa Askew and Tim Hines, along with Cindy Babcock and Carla Jongerius watch the homecoming festivities. B. Ann Robbins and her father walk under the flowered arches. C. We can all read the expression on Robin Brisbois face as she sits watching, waiting. D. Exchange student Lutz Mohlmann and his American mother Mrs. Ann Holbrook come up the field during halftime. E. A smiling Janet Kapanka is led by her father to her place in line. F. Looking wistfully ahead, is Sue Johnson with her father.

This year's Junior Prom was held in the College Center at the Community College in Port Huron. The dance was a real success this year—all the details were perfect. There were things to eat and drink, and there was also a big lobby for resting during a break. There was a big fountain which made a perfect background for memorable pictures. Another thing that the Prom provided was memories that will last a lifetime. All the Juniors seemed to have a good time. Hopefully, next year will be just as big of a success.

Spirit Week was held February 26 thru March 2, and was the most spirited and fun week of the whole year. On Monday we started off with backwards day. During lunch hour the Varsity Basketball and Volleyball players were sold as slaves. Tuesday was red and blue day, with the slaves entertaining us at lunch hour by singing "The Mickey Mouse Club Song". Wednesday—T-shirt day, and Thursday was hat and sock day. On Friday we drifted back to the 50's. Bobby socks, saddle shoes, pony tails, and greased hair spread through the school. The day ended with a pep assembly. Saturday night we finished the week with a dance. Spirit week is now another fond memory of S.C.H., but hopefully the spirit will keep on rollin'.

A. Fritz Attebury and Sharon Gostiaux swing to Greased Lightning. B. We managed to get Shawn Fitzgerald's cap before it got away. C. Martha Cooper has just emerged from goldmine. D. Ron Doviak is everybody's fool. E. Kim Marsh is dressed for Michigan weather. F. Greg Payea shows off red and blue curls in his effort for Spirit Week.
